

Herm Stevens Tournament – Final Overall results

1. You must play both tournaments to win a prize.
2. You can only win in one category (Gross or Net).
3. Entrants receive the highest award they qualify for. For example, if a player finished second Gross and first Net, they receive the first Net award.
4. Gross takes precedence over Net. If a player holds the same position in both Gross and Net, they are awarded Gross.
5. A player's flight (A, B, or C) from the first tournament carries over to the second tournament.
6. Prizes awarded for the top 2 in each flight.

Flight	Member Name	Gross Average	Net Average
A	Dhillon, Kul (Kool)	80.00	68.70
A	Asai, Rick	80.50	73.08
